

This topographic map shows the area around Rejhotice, a village in the Czech Republic. The Louskava river flows through the center of the map. To the north, the Dlouhý vrch hill is visible. To the south, the Jelení skok hill is marked with an elevation of 885 meters. Other nearby hills include Skály (864 meters), Lovců (746 meters), and a hill with an elevation of 714 meters. The map also shows the village of Kociánov and Loučná nad Desnou. A black box highlights a specific location on the river, with a line pointing to a larger inset map of the region.
